

Geochemistry

EXPLORATION, ENVIRONMENT,
ANALYSIS

The journal is abstracted and/or indexed in *AGI's Bibliography and Index of Geology*, *Chemical Abstracts*, *Current Contents*, *Engineering Index*, *GEOBASE*, *GeoRef*, *Mineralogical Abstracts*, *PASCAL/CNRS*, *GeoArchive*, *Thomson ISI database (SCIE, CC/PC & ES)*

CONTENTS - Volume 16, No. 3-4

Editorial comments from the Chief Editor,
July 2016

179

Comparison of different portable XRF
methods for determining till geochemistry
Pertti Sarala

181

The application of portable XRF and
benchtop SEM-EDS to Cu-Pd exploration in
the Coldwell Alkaline Complex, Ontario,
Canada

Y. H. Cao, R. L. Linnen, D. J. Good,
I. M. Samson & R. Epstein

193

Till geochemistry and mineralogy:
vectoring towards Cu porphyry deposits in
British Columbia, Canada

A. Plouffe, T. Ferbey, S. Hashmi & B. C. Ward

213

Editor: **K. Kyser**, Queen's University, Canada
(e-mail: kyserk@queensu.ca)

Associate Editors: **M. Leybourne** (Laurentian University,
Canada), **J. Carranza** (James Cook University, Australia)

Production Editor: **Jessica Pollitt**, Geological Society
Publishing House, Bath, UK
(e-mail: jessica.pollitt@geolsoc.org.uk)

Quantifying hydrothermal alteration with
normative minerals and other chemical
tools at the Beattie Syenite, Abitibi
greenstone belt, Canada

Lucie Mathieu

233

The Effect of Particle Size and Mineral
Liberation on the Acid Generating Potential
of Sulphidic Waste Rock

J. Opitz, M. Edraki & T. Baumgartl

245

Application of classical statistics and
multifractals to delineate Au
mineralization-related geochemical
anomalies from stream sediment data: a
case study in Xinghai-Zeku, Qinghai, China

Xin Chen, Youye Zheng, Rongke Xu,
Huimin Wang, Xiaojia Jiang, Hongze Yan,
Pengjie Cai & Xianzheng Guo

253

Geochemistry: Exploration, Environment, Analysis (ISSN 1467-7873) is published in February, May, August and November by the Geological Society Publishing House the Geological Society, London and the Association of Applied Geochemists.

Subscription rates 2016 (volume 16, 4 parts): All correspondence relating to trade subscriptions should be addressed to the Journal Subscriptions Department, Geological Society Publishing House, Unit 7, Brassmill Enterprise Centre, Brassmill Lane, Bath, UK, BA1 3JN (Tel: +44 (0) 1225 445046; Fax: +44 (0) 1225 442836; e-mail: sales@geolsoc.org.uk). The subscription prices for 2016 to institutions and non-fellows are GEEA Online: £265 +VAT (UK), £300 +VAT (overseas) or GEEA Online + print: £315 +VAT (UK), £360 +VAT (overseas). The current tax rates (for UK and European Union subscribers) and more information can be found at <http://www.geolsoc.org.uk/lcaccess>.

Periodical postage paid at Middlesex, N.J. *Postmaster:* send address changes to *Geochemistry: Exploration, Environment, Analysis*. The Geological Society, c/o Pronto Mailers, PO Box 177, Middlesex, NJ 08846.
